Re: Agency Regulatory Plan – South Florida Regional Planning Council

Dear Ms. Printy:

The South Florida Regional Planning Council has reviewed its agency regulatory plan and found as follows:

- a) No laws were enacted or amended during the previous 12 months;
- b) No new laws are expected to be implemented by rulemaking before the following July 1<sup>st</sup>;
- c) There is no desired update to the prior year’s regulatory plan; and
- d) The Council Chair, Executive Director, and Council Attorney certify that they have reviewed this plan and the agency regularly reviews all of its rules. The existing rules were most recently reviewed in association with preparation of this report. The existing rules were determined to remain consistent with the agency’s rulemaking authority and the laws implemented.
