Dear Mr. Eubanks:

On November 5, 2019, the Broward County Board of County Commissioners held a public hearing in accordance with Chapter 163, Florida Statutes, and voted to transmit three (3) amendments to the Broward County Comprehensive Plan (BCCP). One (1) amendment is to the Broward County Land Use Plan (BCLUP) text (PCT 19-8) and two (2) amendments are to the BCLUP Natural Resource Map Series (PCNRM 19-1 and PCNRM 19-2). The transmittal resolutions for each proposed amendment is included with the corresponding staff reports. The amendments are proposed for adoption by the Broward County Commission no later than May 2020.

In accordance with the Florida Administrative Code, three copies of the support documentation for the BCCP amendments are enclosed (one hard copy and two digital copies). By copy of this letter, the proposed amendments, including applicable support documents, were also sent to the South Florida Regional Planning Council, the Florida Department of Transportation - District Four, the South Florida Water Management District, the Florida Department of Environmental Protection, the Florida Department of State, the Florida Fish and Wildlife Conservation Commission, the Florida Department of Agriculture and Consumer Services and the Florida Department of Education.

The proposed amendments are not located within an Area of Critical State Concern and are not proposed for adoption under a joint planning agreement pursuant to Chapter 163, Florida Statutes.

Consistent with Broward County Planning Council procedures, the City of Pompano Beach has requested a concurrent transmittal of the corresponding amendment to their municipal future land use element, which is also included (one hard copy and two digital copies). Questions regarding the amendment to the municipal future land use element should be directed to the municipality.

We appreciate the continued assistance and cooperation of the Division of Community Planning & Development in the development and refinement of the Broward County Comprehensive Plan. Please contact me or Deanne Von Stetina, AICP, Assistant Executive Director, if you have any questions or require additional information.
