

SMALL BUSINESS REVOLVING LOAN PROGRAM

WANT TO GROW YOUR BUSINESS IN SOUTH FLORIDA?

NEED WORKING CAPITAL?

NEED TO UPGRADE YOUR EQUIPMENT?

Access to capital can be a challenge for many of the region's small businesses. To address this need, the SFRPC Revolving Loan Fund (RLF) professionals work with the U.S. Department of Commerce's Economic Development Administration to provide low-interest loans to small-size and medium-size businesses in Broward, Miami-Dade, and Monroe counties.

Created more than 15 years ago, the RLF is designed to meet the credit needs of businesses in the region that are not entirely served by conventional lenders.

TESTIMONIALS

"Dear Jeff, I wanted to thank you and the South Florida Regional Planning Council for the loan we were able to obtain in 2013. We were unable to get a loan through other sources at that time to grow our business and build a sales team. With this loan we were able to hire a sales rep and a consultant that helped us build our sales processes we still use today. We went from being a marginally profitable business to one that is continually profitable and reinvesting itself. If it had not been for this loan, we may not have realized this vision or have kept our staff employed during the pandemic. Thanks again for your assistance. We would recommend the South Florida Regional Planning Council to anybody that was in a situation like ours."
