

## MEMORANDUM

AGENDA ITEM #IV.G

DATE:

JULY 11, 2016

TO:

**COUNCIL MEMBERS** 

FROM:

STAFF

SUBJECT: FISCAL YEAR 2015-16 OPERATING BUDGET AMENDMENT

#### **Background**

Staff has prepared an amendment to the Operating Budget for Fiscal Year 2016 for your approval today. The attached summaries of Revenues and Expenditures present the budget approved by the Council in September 2015 alongside the proposed amended operating budget. A final budget amendment for Fiscal Year 2016 will be brought to the Council in September 2016.

#### Revenues

The Council revenue budget, for the Fiscal Year 2015-16, has been adjusted to \$2,432,477, from the \$2,631,636 approved in September 2015. This is a \$199,159 reduction from the approved budget. The reason for this budget shortfall is two-fold. First, on April 11, 2016 Council staff received notification from the Florida Department of Health regarding the loss of Center for Disease Control and Prevention funds for the Healthy Corner Stores project. This resulted in the subsequent termination of the Florida Department of Health's \$146,000 contract for services with the Council until such time funding becomes available in the future. Second, Council staff has not completely offset its beginning total budget funding "gap" of \$139,500. The Council began FY 2015-2016 with a budget "gap" of \$139,500. Since September 2015, the Council has closed 60% of the gap through cost saving measures including not filling open staff positions and the outsourcing of IT support services.

Any variance from budget is the result of funds carried forward from/to previous/next fiscal year(s), the development of new grants and projects, and grants and projects that were not funded as initially projected.

#### Expenditures

The Council's operating expense budget for Fiscal Year 2015-16 has been adjusted to \$2,413,156, from the \$2,631,635 approved in September 2015. This is a \$218,479 reduction from the budget. A 13% reduction in core operating expense of \$253,690 is being offset by an increase in Nonrecurring

Professional Services (Pass-Through Revenue/Expenses) of \$35,212. The core operating expense reduction reflects the impact of not replacing recent vacancies as a result of retirement. Also, certain jobs have been consolidated in an effort to reduce operating expenses of the Council. The offset to a portion of this savings is an increase in Pass-Through Revenue/Expenses primarily due to the Palm Beach Sheriff Office contracts and conversion of salary (in the case of Council IT support) to outside contract services.

### **Operating Surplus**

The budget amendment results in an Operating surplus of \$19,321.for Fiscal Year 2016.

#### Recommendation

Staff recommends approval of the Operating Budget Amendment for Fiscal Year 2016.
