**Subject:** 2018 ECONOMIC RECOVERY AND RESILIENCY EFFORTS FOLLOWING HURRICANE IRMA WORKSHOP

Good Morning to All;

I hope that everyone is well...I just wanted to take this time to let each one of you know how much I appreciate all of the effort and dedication that you have put into making these Workshops a success. You have in just over five weeks interacted with people that you may have never met; then you organized, creatively put together an agenda, obtained venues, created on-line registrations, put together great looking flyers, advertised and have done much, much more than what I had envisioned. This shows what true professionals you are, from an idea to the launching on Monday 12 February in Fort Myers, six Workshops that will end the week in Crystal River, then pick up again on the 27<sup>th</sup> in Marathon. Each one of us have done and will do our part to help inform the community that we are here to help them build resilience into their recovery efforts. I know these Workshops will be successful...So please know that these Workshops have brought together local, regional, state, federal agencies and national organizations to collectively work together for one cause and that is to provide guidance to our communities. Again, I appreciate you, I value your input and I am grateful for your willingness to give of yourselves and your organizations. Thank You Very, Very Much!!!
