Dear Mr. Eubanks:

On February 26, 2019, the Broward County Board of County Commissioners held a public hearing in accordance with Chapter 163, Florida Statutes, and voted to adopt Ordinance Number 2019-06, amending the Broward County Comprehensive Plan (BCCP). The enclosed ordinance adopts one (1) amendment to the Broward County Land Use Plan text (PCT 19-3). The amendment was transmitted by the Board of County Commissioners on December 4, 2018 and was reviewed under the expedited State review process (DEO #18-6ESR). In addition, the amendment report reflects no changes from the transmittal submission package.

In accordance with the Florida Administrative Code, the adoption ordinance and the adopted amendment is provided (one hard copy and two digital copies). It is noted that the certified, sealed ordinance will be forwarded upon receipt from the County's Records, Taxes and Treasury Division. In addition, by copy of this letter, digital copies of this submittal are being provided directly to the South Florida Regional Planning Council, the Florida Department of Transportation - District IV, the South Florida Water Management District, the Florida Department of Environmental Protection, the Florida Department of State, the Florida Fish and Wildlife Conservation Commission, the Florida Department of Agriculture and Consumer Services and the Florida Department of Education.

We appreciate the continued assistance and cooperation of the Division of Community Planning & Development in the development and refinement of the Broward County Comprehensive Plan. Please contact me or Deanne Von Stetina, AICP, Assistant Executive Director for the Planning Council, if you have any questions or require additional information.

Respectfully,

Barbara Blake Boy
Executive Director
