(proposed)*

Dear Mr. Eubanks:

On May 7, 2019, the Broward County Board of County Commissioners held a public hearing in accordance with Chapter 163, Florida Statutes, and voted to transmit two (2) amendments to the Broward County Comprehensive Plan (BCCP). One (1) amendment is to the Broward County Land Use Plan (BCLUP) map (PC 19-1) and a corresponding BCLUP text amendment (PCT 19-1). The transmittal resolutions for the proposed amendments are included with the staff reports. The amendments are proposed for adoption by the County Commission no later than November 2019.

In accordance with the Florida Administrative Code, three copies of the support documentation for the BCCP amendments is enclosed (one hard copy and two digital copies). By copy of this letter, the proposed amendments, including applicable support documents, were also sent to the South Florida Regional Planning Council, the Florida Department of Transportation - District Four, the South Florida Water Management District, the Florida Department of Environmental Protection, the Florida Department of State, the Florida Fish and Wildlife Conservation Commission, the Florida Department of Agriculture and Consumer Services and the Florida Department of Education.

The proposed amendments are not located within an Area of Critical State Concern and are not proposed for adoption under a joint planning agreement pursuant to Chapter 163, Florida Statutes.

Consistent with the Broward County Planning Council procedures, the City of Hollywood has requested that the Broward County Board of County Commissioners concurrently transmit the corresponding amendments to its municipal future land use element, which are also included (one hard copy and two digital copies). Questions regarding the amendments to the municipal future land use element should be directed to the municipality.

We appreciate the continued assistance and cooperation of the Division of Community Planning & Development in the development and refinement of the Broward County Comprehensive Plan. Please contact me or Deanne Von Stetina, AICP, Assistant Executive Director for the Planning Council, if you have any questions or require additional information.
