Re: Broward County Land Use Plan Amendment Application – Temple Kol Ami

Dear Ms. Boy,

Stiles Corporation is the applicant for the above referenced property and is seeking to amend the land use designation on the property from Community Facilities to Medium-High (25) Residential on the City and County Maps.

On August 7, 2018, the City's Local Planning Agency held a public hearing and recommended approval of the land use plan amendment. On February 6, 2019, the City of Plantation City Commission approved on first reading an Ordinance of the proposed land use plan amendment and authorized transmittal of a Broward County Land Use Plan Amendment to the Broward County Planning Council with a recommendation of approval. The City of Plantation requests the Broward County Planning Council take favorable action on the enclosed Application for Amendment to the Broward County Land Use Plan at its next available public hearing.

If you have any questions concerning this request, please free to contact Dan Holmes, Director of Planning, Zoning & Economic Development at 954-797-2622.

Sincerely,

Lynn Stoner  
Mayor
