SUBJECT: LOCAL GOVERNMENT COMPREHENSIVE PLAN PROPOSED AND ADOPTED AMENDMENT
CONSENT AGENDA

Pursuant to the 1974 Interlocal Agreement creating the South Florida Regional Planning Council (Council), the Council is directed by its member counties to “assure the orderly, economic, and balanced growth and development of the Region, consistent with the protection of natural resources and environment of the Region and to protect the health, safety, welfare and quality of life of the residents of the Region.”

In fulfillment of the Interlocal Agreement directive and its duties under State law, the Council reviews local government Comprehensive Plan amendments for consistency with the *Strategic Regional Policy Plan for South Florida (SRPP)*. Pursuant to Section 163.3184, Florida Statutes as presently in effect, Council review of comprehensive plan amendments is limited to 1) adverse effects on regional resources and facilities identified in the SRPP and 2) extra-jurisdictional impacts that would be inconsistent with the comprehensive plan of any affected local government within the Region. The Council’s review of amendments is conducted in two stages: (1) proposed or transmittal and (2) adoption. Council staff reviews the contents of the amendment package once the Department of Economic Opportunity certifies its completeness.

A written report of Council’s evaluation pursuant to Section 163.3184, Florida Statutes, is to be provided to the local government and the State Land Planning Agency within 30 calendar days of receipt of the amendment.

Recommendation
