RE: SFRP Loan to HBR Construction LLC

To Whom It May Concern,

We are writing to express our gratitude to the South Florida Regional Planning Council for your time and consideration in granting our business a loan with which we are able to bridge our projects. The availability of these funds will be instrumental in our continued business functions and will ensure fluid movement of our ongoing work. We would also like to particularly thank Mr. Jeffery Tart for his diligence in assisting us in acquiring our loan and are grateful to have had the pleasure of working with him; he is an asset to your institution.

Please accept our heartfelt thanks and, like many, we are appreciative of your continued support of local businesses such as ourselves.

Respectfully,

Harold S Davidson, Mgmt
