Name	L-965 NIMS ICS All-Hazards Resources and Demobilization Unit Leaders : (L-965)
Description	This course provides an overview of Unit Leader responsibilities, the Planning Section, and the planning process to contextualize the Resources Unit for participants unfamiliar with the planning process or the Incident Command System (ICS). It then explores specific Resources Unit Leader (RESL) functions and responsibilities including resource tracking systems, operational planning, and resource products/outputs. The Status/Check-in and Demobilization functions are covered to provide participants with the knowledge to perform those duties if necessary. Exercises/simulations, discussions, and a final exam enable participants to process and apply their new knowledge. NIMS ICS All-Hazards Position-Specific training should be completed by personnel who are regularly assigned to functional, support, or unit leader positions on United States Fire Administration (USFA) or other Type III All-Hazards Incident Management Team (AHIMT), or by those persons who desire to seek credentials/certifi
