

Florida Division of Emergency Management

Leading the Profession in building resilient communities!

FDEM Mission & Vision

Vision

Leading the Profession in building Safer Communities.

Mission

Coordinate, Collaborate, and Communicate with stakeholders for a resilient Florida.

Values

- **Integrity** – We hold ourselves accountable by demonstrating sound judgement and ethical practices, regardless of the consequences, to cultivate stakeholder trust.
- **Teamwork** – We commit ourselves to selflessly and humbly support one another, undivided, while promoting transparency, comradery, and mutual respect.
- **Service Excellence** – We advocate for our stakeholders by addressing needs timely and effectively through our roles and programs.
- **Adaptability** – We respond to the hazards and opportunities impacting our stakeholders through creative and innovative solutions, while working within parameters of state and federal guidelines.
- **Collaboration** - We coordinate with stakeholders and leverage partnerships with the whole community to strengthen existing and implement new ideas.

Division's Goals 2022-23

1

Engage Technology

2

Comprehensive Process Management

3

Profession Development

Florida Recovery Obligation Calculation Rating

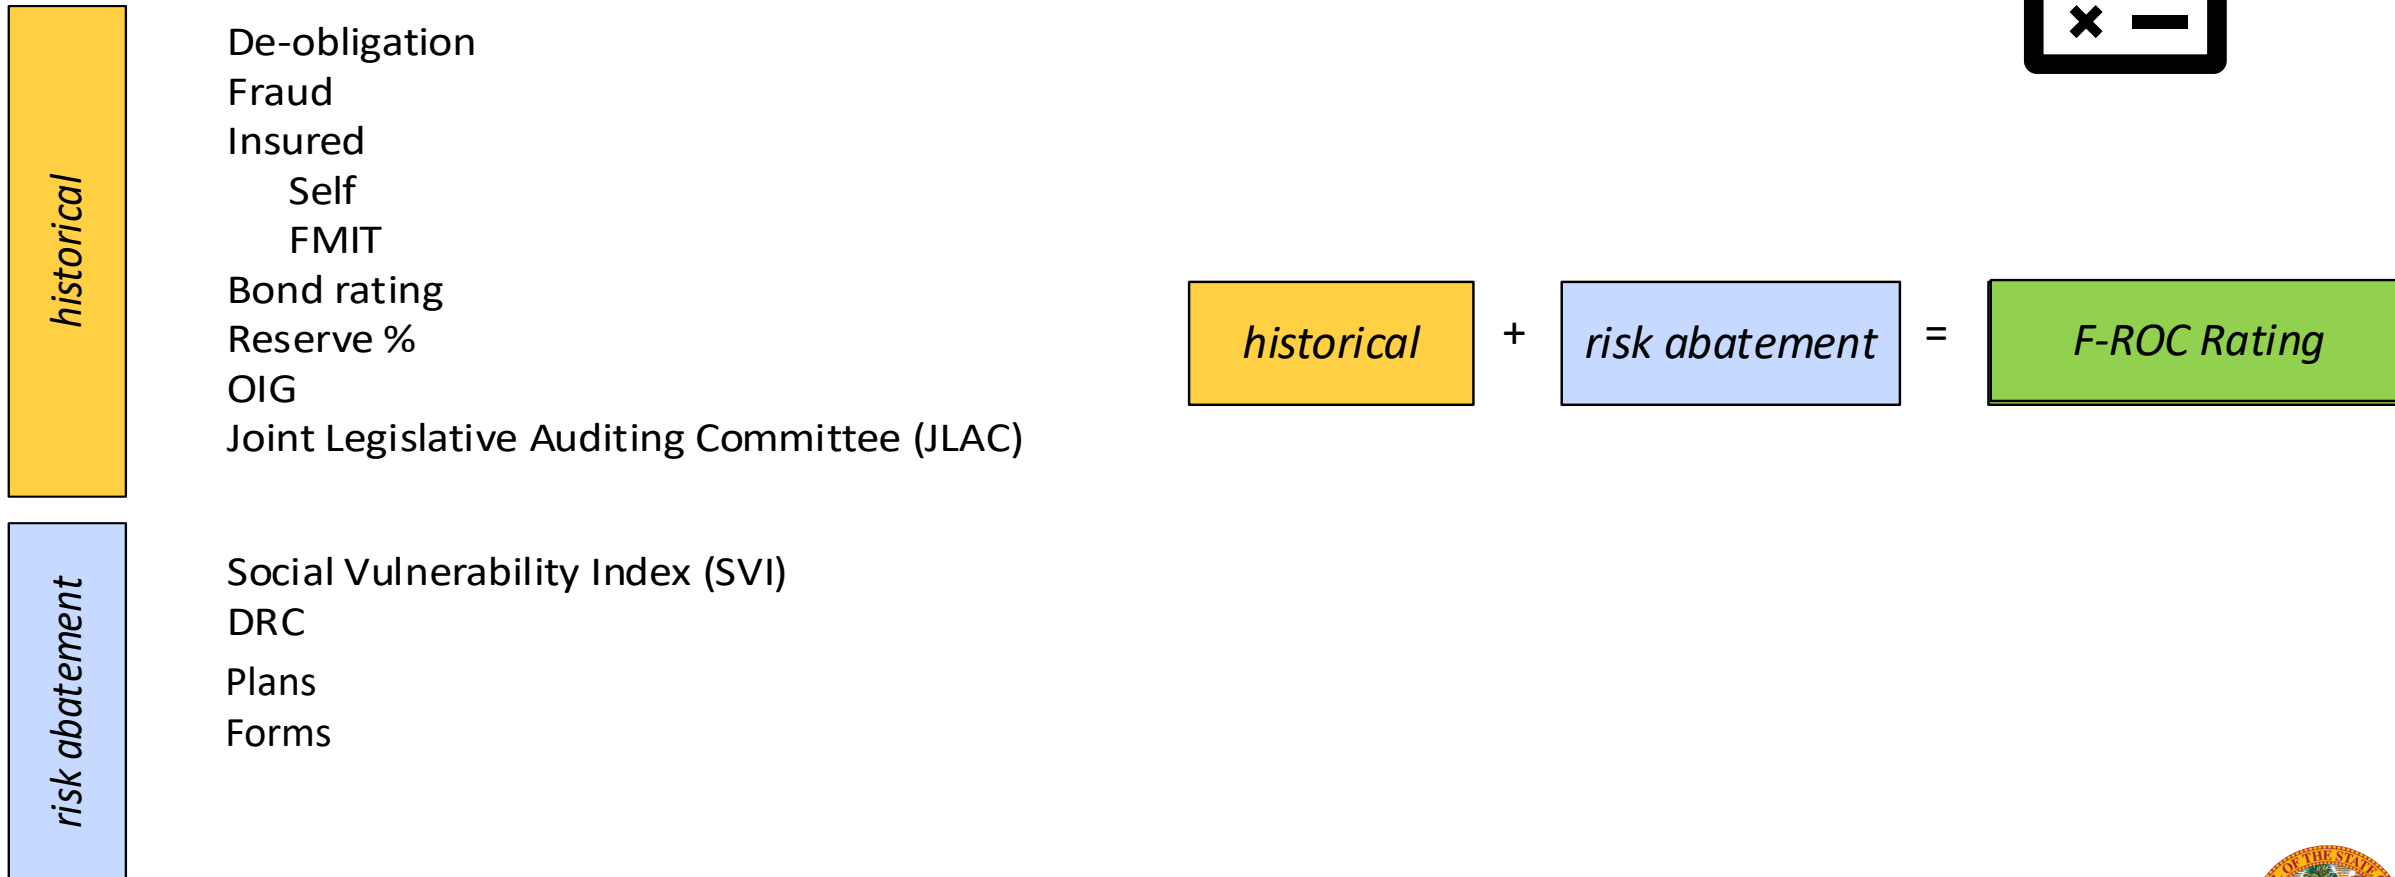

*F-ROC will be the foundation
of your recovery future*

Standardize

the objective:

Reflective risk ratings to reward compliant counties and cities upfront.

Standardized Risk Assessment

pre-disaster

post-disaster

procurement

policy

procedure

forms

records

How can you improve your rating?

Where are you already getting credit?

*abatement measures
training, certifications
on-staff contractors*

Objectives

- By June 1 – standardized forms for cat A and B
- Next 9 months – working towards an F-ROC Rating and Methodology for cat A and B
