

Free Hazardous Materials Safety & Security Operations Training

Nova Southeastern University's
Institute for Disaster and Emergency Preparedness
is offering

FREE 16-hour HAZWOPER Operations Training

- Ideal for public works personnel, Facility Emergency Response Teams, and all workers consistent with the OSHA Standard 29 CFR 1910.120(q)(6)(ii)
- Learn how to take defensive actions to limit hazardous incidents and protect yourself from chemical hazards in the workplace
- Training can take place on-site at NSU or at your workplace
- **Certificate awarded upon completion of course**
- Satisfies OSHA standard 29 CFR 1910.120(q)(6)(i)(ii),
- Additionally satisfies 49 CFR 172.700(c) and 172.704(a)(1)(3)(4)(5)(b), and EPA 40 CFR (311.1).

To RSVP for a class, please contact SEAMIST@nova.edu
Or call 954-262-1644

*Funding for this training has been provided by The National Institute of
Environmental Health Sciences (NIEHS) of the National Institutes of Health (NIH)
under award number U45ES019350.*

The 8-hour Hazardous Materials Awareness Course is a prerequisite to the Operations course
