Joint Meeting South Florida & Treasure Coast Regional Planning Councils

FRIDAY | MARCH 15, 2024 | 9:30 AM - 3:00 PM

**Palm Beach Transportation Planning Agency
301 Datura Street
West Palm Beach, Florida 33401**

The South Florida and Treasure Coast Regional Planning Councils are pleased to invite the region's elected officials; public, private, and non-profit stakeholders; and residents to a timely conversation on Property Insurance, Transportation, Florida's Coral Reef, and the 2024 Florida Legislative Session. Property Insurance costs continue to skyrocket pushing residents and businesses out of Southeast Florida, transportation gridlock is an everyday occurrence, and Florida's Coral Reef is experiencing a high mortality rate with significant adverse economic, environmental, and coastal resilience impacts. Don't miss this unique opportunity to lunch and learn about these and other critical issues including suggested solutions to the property insurance crisis, and what we should expect following the adjournment of the Florida Legislative Session on March 8th.

These semi-annual meetings bring together elected officials and decision-makers to hear from experts on issues of shared concern and reach consensus on how to address those issues for the betterment of Southeast Florida.
