BUILDING AFFORDABLE HOMES IN FORT LAUDERDALE

The Southeast Florida Community Development Fund, Inc and the Broward County Minority Builders Coalition to Construct Four Affordable 3-Bedroom Homes in Fort Lauderdale

The Broward County Minority Builders Coalition, Inc. (MBC) is advancing its commitment to expanding affordable housing opportunities through the construction of four new single-family homes in the City of Fort Lauderdale. This project will deliver high-quality, energy-efficient residences as part of the Broward County in-fill lot development program.

Each home will feature three bedrooms and two bathrooms, ranging from approximately 1,900 to 2,200 square feet.

This housing initiative is made possible through collaboration between the Broward County Minority Builders Coalition, Inc. and the Southeast Florida Community Development Fund, Inc., (SFCDFI) an independent 501(c)(3) that promotes community and economic development, expands access to capital, and supports job creation. The Southeast Florida Community Development Fund, Inc. provides construction financing for affordable residential homes for first-time minority homebuyers and delivers loans and development services to disadvantaged small businesses. Together, the Broward County MBC and the SFCDFI are advancing an affordable housing initiative and economic opportunity for Fort Lauderdale residents.
