

STEVEN VOLLMER, PHD

Director, School of Environmental, Coastal, and Ocean Sustainability, Florida Atlantic University

---

Dr. Steve Vollmer is Florida Atlantic University's Director of the School of Environmental, Coastal, and Ocean Sustainability - the hub for solution-oriented environmental research at FAU. Steve is a renowned coral geneticist studying how tropical reef corals adapt and resist disease infection and thermal bleaching. He received his Ph.D. from Harvard University and is a National Academy of Science Kavli Fellow.
